See the **Excess section** below and read about the excess options in **Variable excess**.

Choosing your policy and options

Flight Centre Travel Insurance offers the following types of policy:

- International single trip
- Domestic single trip
- Annual Multi-Trip

This section includes information about the different plans and options available for each of type of policy, as well as information about eligibility.

Plans and eligibility

Any **insured person** must be an Australian **resident**. All plans can cover up to 10 people.

The **policy holder** must be over 18 years of age at the time of purchase. A guardian may purchase a policy on behalf of their minor children or grandchildren (including fostered or adopted children or grandchildren).

Children under 16 years of age must be supervised by an adult during the **trip**.

Depending on the type of policy **you** buy, **you** can select from different levels of cover (Bronze, Silver or Gold). **Your** policy benefits and limits will depend on the level of cover **you** select.

You can find the limits for each plan in the [Table of benefits](#).

International policies

- Bronze, Silver or Gold plans available.
- Can provide cover for one **trip** overseas
- Can be purchased up to 365 days before the travel **start date**.
- Can be purchased for a maximum duration of 365 days.
- Maximum age of any person to be insured on the policy is 100 years.

Domestic policies

- Bronze, Silver or Gold plans available.
- Can provide cover for one **trip** within Australia.
- Can be purchased up to 365 days before the travel **start date**.

- Can cover **trips** of a maximum duration of 30, 45 or 60 days each, depending on the option selected.
- The maximum age of any person to be insured on the policy is 79 years.

Policy premium explained

The premium will be quoted to **you** during the purchasing process and it will also be shown on **your certificate of insurance**.

Premiums are based on a number of factors including the destination and dates of **your trip**, the type of policy and plan **you** select, the number of **insured people** and their ages.

The options and add-ons **you** select will also impact **your** premium, for example adding **Winter Sports** cover or a higher limit for cancellation limit option will lead to a higher premium. Premiums are inclusive of applicable government charges including GST and Stamp Duty.

Policy options & add-ons

Depending on the plan **you** select, there are different policy options and add-ons available to tailor **your** cover.

If **you** purchase a policy at the same time as **you** are making a travel booking through the www.flightcentre.com.au website, **you** may not be able to vary these at the time of purchase. Contact us if **you** need to change any details of **your** policy.

Cancellation limits

Silver and Gold plans offer the ability to vary **your** policy limit for cancellation related expenses. The cancellation limit for **your** policy will appear on **your certificate of insurance**.

The cancellation limit is the most **we** will pay for all claims under **Section A – Cancellation** combined per **insured person per trip**. **You** should ensure that the cancellation limit on **your** policy is sufficient to cover **your** non-refundable claimable **trip** costs in the event that **you** have to cancel **your trip**.

In some instances, a sub-limit is specified in this document in relation to certain events, or expense types. In these cases, the lesser of **your** chosen cancellation limit or the sub-limit will apply. See **Section A – Cancellation** for details of the cover and limits.

Important information

For example, if **you** choose a cancellation limit that is higher than the sub-limit, the sub-limit is the most **we** will pay in relation to claims which arise from that event. If **your** chosen cancellation limit is lower than the sub-limit shown, the cancellation limit **you** have chosen will apply.

If **you** wish to vary the limit on **your** policy, **you** can contact +61 2 9333 3970 to discuss what options may be available to **you**.

Variable excess

You may have the option to vary **your** excess at the time **you** purchase **your** policy.

This can include choosing to pay a higher premium to reduce **your** excess or reducing **your** premium by selecting a higher excess. The excess applicable to **your** policy will be shown on **your certificate of insurance**.

Read more about how the **Excess** works.

Pre-existing medical conditions

If **you** have a **pre-existing medical condition** that is not automatically covered, **you** can apply for additional cover at the time **you** buy **your** policy by completing a medical screening.

After a screening is completed, **we** may offer cover for medical conditions **you** declare, this cover may be at an additional premium.

Important information

Your policy will not offer cover for the **pre-existing medical conditions** of any **insured person** unless:

- the condition is listed as automatically covered and meet the listed criteria; or
- **we** have offered the **insured person** cover following a medical screening and **you** have paid any applicable premium, and this cover is shown on **your certificate of insurance**.

See the section **Your medical conditions** for more information.

Winter sports

Please see below for a full list of **winter sports** activities which are covered by this policy. If **you** have any questions, please send **your** enquiries to **us** via e-mail to enquiries@europ-assistance.com.au.

No cover is available unless, before the activity takes place, **we** have agreed in writing to cover it. Terms and conditions will apply and an additional premium may be required.

In addition to the standard policy benefits **you** will be covered for benefits under **Sections N1 to N6 Winter sports** cover inclusive.

If **you** do not choose to purchase the **winter sports** cover add-on by paying the applicable premium then **we** will not cover any claim directly or indirectly relating to **winter sports**.

Please see **Section N – Winter sports cover** for full details.

Important information

To have cover for any **winter sport** activity **you** must have purchased this add-on and it must be shown on **your certificate of insurance**.

You do not need to select this option to have cover for a river cruise. For **cruises** in Australian territorial waters **you** will need to purchase an international policy with the **Cruise** add-on in order to have medical cover aboard.

Cruise benefits

The sums insured set out in the following table are the maximum amount **we** will pay under each section per **insured person** per **trip**.

Cruise benefits

Section	Benefit	Silver	Gold	Excess* applies
01	Cabin confinement	\$150 limit per 24 hours, up to \$1,500	\$250 limit per 24 hours, up to \$2,500	Yes

Important information

*Excess

Your excess will be shown on *your certificate of insurance*. If *your* claim is paid, this excess is deducted from any payment *we* make to *you*. An excess is applied per event per *insured person*.

If multiple events occur during a *trip* an excess will be applied for event per *insured person*. See the [Excess section](#) for details and read about the excess options in [Variable excess](#).

Increased luggage sub-limit option

If *you* select a Silver or Gold plan, *you* have the option to increase the item limit for individual items or sets of items. Selecting this benefit increases the item limit for item types as below.

Selecting this option does not change the benefit limit (the maximum amount *you* can claim per person for all items combined) on *your* chosen plan.

In the event of a claim, *you* will need to provide receipts and/or valuation certificates to prove *your* ownership of the item and its value.

The most *we* will pay in relation to any item is the lesser of the item limit or the actual item value.

Full conditions of cover available and exclusions relating to [Section E2 Increased luggage sub-limit](#) option should be read prior to purchase.

Increased luggage sub-limit

Items	Silver plan		Gold plan	
	Standard limit	Optional limit	Standard limit	Optional limit
Laptops, tablets and cameras	\$2,000	\$5,000	\$6,000	\$6,000
Smartphones	\$1,500	\$5,000	\$6,000	\$6,000
Medical aids	\$2,000	\$5,000	\$4,000	\$6,000
All other items	\$750	\$5,000	\$1,500	\$6,000

Excess

The excess is an amount that **you** are liable for in the event of any claim.

If **your** claim is paid, under most sections of this policy, an excess is deducted from any payment **we** make to **you**. **Your** excess will be shown on **your certificate of insurance**. See **Variable excess** for more information about excess options.

This excess applies per event to each **insured person** claiming.

Important information

See the **Benefits table** for Sections an excess applies to.

Your certificate of insurance will show the excess applicable for **your** policy.

Excess examples:

If one **insured person** makes a claim and an excess applies; if **your** policy excess is \$250 and the total value of **your** loss is \$1,000, the most **we** will pay is \$750 (subject to any policy limit and sub-limits).

If one **insured person** makes a claim for two different events that occur during **their trip**, and an excess applies in each instance, if **your** policy excess is \$250:

- Claim 1 – covered medical event
\$2,500 – \$250 = \$2,250.
- Claim 2 – stolen cash
\$1000 – \$250 = \$750, policy limit under the 'Money' cover in the Gold International plan is \$500, limit paid \$500.

We apply the excess before the policy limit; in the stolen cash example above, although the excess applies, since the amount of the loss minus the excess was above the policy limit, the final payment is up to the policy limit.

When cover begins and ends

For Domestic and International policies:

If **you** buy **your** policy before **you** start travelling, **your** cover under **Section A – Cancellation** and **Section M1** will start from the time **you** pay **your** policy premium and **we** issue **your certificate of insurance**.

Cover under all other sections of the policy begins from the later of when **you** leave **your home** or place of business in Australia to start **your trip**, or the **departure date** listed on **your certificate of insurance**.

Cover ends the earlier of:

- The **end date** listed on **your certificate of insurance**; or
- The time **you** return to **your home** or place of business in Australia.

For Annual Multi Trip policies:

This policy covers **you** for any number of **trips** to be taken within the twelve-month period of insurance.

If **you** buy **your** policy before **you** start travelling:

- Cover under **Sections A – Cancellation** and **M1 – COVID-19 Cancellation or trip disruption** will start from the time **you** pay **your** policy premium and **we** issue **your certificate of insurance**.
- Cover under all other sections of the policy begins from the later of when **you** leave **your home** or place of business in Australia to start **your trip**, or the **start date** listed on **your certificate of insurance**.

Cover under all sections for any **trip** ends the earlier of:

- When **your trip** exceeds the maximum duration (30, 45 or 60 days) shown on **your certificate of insurance**; or
- The **end date** listed on **your certificate of insurance**; or
- The time **you** return to **your home** or place of business in Australia.

Waiting period

If **you** buy **your** policy after **you** have left **your home** to start travelling, cover for **your trip** will be subject to a 72-hour waiting period.

Under **Section B – Medical** and **C1 – Additional emergency expenses**, the waiting period will not apply to claims which arise directly from an **injury** that occurs after the **departure date** of **your** policy.

During the waiting period there is no other cover available under any section of the policy.

This waiting period will not apply if **you** purchase a new policy as a continuation of **your** cover with **us**.

Important information

For example, if **you** decide to extend **your** holiday and buy a new policy to continue **your** cover with **us**, there will be no waiting period.

However, if there is a gap between the **end date** of **your** expiring policy and the **start date** of **your** new policy, the waiting period would apply.

Sports and Activities

Covered sports & activities

You may not be covered when **you** take part in certain sports or activities. For certain sports or activities, cover under **Section F – Accidental death and permanent disability** and **Section G – Personal liability** will not apply. - **You** follow the safety guidelines for the activity concerned and where applicable, **you** use the appropriate and recommended safety equipment; and
- The activity is on an amateur basis (there is no cover for professional sports and activities).

If **your** activity is not listed below, cover is available if the activity meets both of the following criteria:

Your medical conditions

What are pre-existing medical conditions

A **pre-existing medical condition** is any medical condition that a reasonable person should be aware, at the time of policy purchase, may lead to a claim.

A **pre-existing medical condition** includes any of the following:

- Any medical condition for which there has been prescribed medication or treatment, advice, tests or investigation in the 2 years prior to policy purchase, including but not limited to any:
 - heart related, blood circulatory or diabetic condition; or

It does not include acute conditions that have resolved, such as a cold or flu.

If **you** are unsure if **you** have a **pre-existing medical condition**, please consult **your** doctor prior to purchase.

How your pre-existing medical conditions impact your cover

- a **relative** who is not travelling with **you**; and/or
- **your travelling companion**.

See **Section A2 – Additional cancellation events** for details of cover that may apply for claims that arise from the pre-existing medical condition of a relative who is not travelling with **you**.

Changes in your health

If **your** medical status changes after **you** purchase **your** policy, for example **you** develop a new medical condition, **you** should ensure that **you** are still fit to continue with **your** planned travel. **We** will not cover **you** for claims that arise from **you** travelling against doctors' orders.

Your obligations

Your duty to disclose

Under the *Insurance Contracts Act 1984* (Cth) (Act), **you** have a duty to take reasonable care not to make a misrepresentation to **us**.

This duty applies whenever **you** enter into, renew, extend or vary this contract of insurance.

In all cases, **we** will ask **you** questions that are relevant to **our** decision to insure **you** and on what terms.

It is important that **you** understand **you** are answering **our** questions in this way for **yourself** and anyone else that **you** want to be covered by the contract.

When **you** answer the questions **you** must give a true and accurate account of matters. **Your** response should tell us everything that **you** know about the question because **your** response is relevant to whether **we** offer **you** insurance and the terms **we** offer **you**.

A misrepresentation made fraudulently is made in breach of the duty to take reasonable care not to make a misrepresentation.

Whether or not **you** took reasonable care not to make a misrepresentation will be determined with regard to all the relevant circumstances.

If **we** know or ought to know about **your** particular characteristics or circumstances, **we** will consider these to determine if **you** took reasonable care not to make a misrepresentation to **us**.

You are not to be taken to have made a misrepresentation merely because **you**:

- failed to answer a question; or
- gave an obviously incomplete or irrelevant answer to a question.

If **you** do not take reasonable care when answering **our** questions and the result is **you** do make a misrepresentation to **us**, **we** may cancel **your** contract or reduce the amount **we** will pay **you** if **you** make a claim, or both.

If **your** failure to take reasonable care not to make a misrepresentation to **us** is fraudulent, **we** may refuse to pay a claim and treat the contract as if it never existed.

General conditions

The following conditions apply to all sections of this insurance.

1. **You** must answer all questions that **we** or EAA ask **you** truthfully and accurately. Inaccurate answers when taking out this policy may result in us either declining to provide cover, cancelling **your** insurance cover or declining or reducing a claim payment.
2. **You** must take all reasonable steps to avoid, reduce or recover, any loss which may mean that **you** have to make a claim under this insurance.
3. Before **you** commence **your trip**, **you** must let **us** know about all countries **you** are travelling to and spending more than 72 hours in on **your trip**. Otherwise, **we** can refuse **your** claim if it relates to travel in a country **you** did not tell **us** about.
4. **You** must report to the police or (where applicable) the responsible transport provider and obtain a written report from them in respect of loss or theft of any item within 72 hours of discovering the loss or theft, or as soon as reasonably practicable. **You** must provide this to **us** with **your** claim together with proof of ownership of the lost or stolen item(s).
5. **You** must give **our** claims department all the documents and execute all authorities that are reasonably necessary to assess any claim. Any documents must be in English or be accompanied by an official translation. **You** will be responsible for the costs involved in doing this. For example, in the event of a cancellation claim **you** will need to supply receipts and proof that **you** were unable to travel, such as a medical certificate completed by **your** doctor if the cancellation was due to a medical condition.

6. **You** must provide reasonable assistance and cooperation to **us** in the assessment or investigation of **your** claim.
7. **You** must help **us** get back any money that **we** have paid, from other insurers or any other person, by giving **us** all the details **we** may reasonably need and by filling in any forms **we** may reasonably require. If **we** agree to cover **your** loss, **you** must let **us** take over and pursue any legal right of recovery **you** may have and **you** must provide reasonable co-operation in any recovery action.
8. If **you** try to make a fraudulent claim or if any fraudulent means or devices are used when trying to make a claim, this policy may be cancelled and the premium **you** have paid may be forfeited. Any benefits already paid to **you** in respect of the fraudulent claim must be repaid in full.
9. **You** must agree to have a medical examination if it is reasonably necessary to assess **your** claim. If **you** die, **we** are entitled to a post-mortem examination.
10. **You** must agree to have a blood alcohol and/or breath analysis where local laws permit, where it is reasonably necessary for **us** to assess **your** claim.
11. **You** must pay **us** back any amounts that **we** have paid to **you** which are not covered by the insurance.
12. After a claim has been settled, any salvage **you** have sent into **our** claims department will become **our** property.
13. **You** cannot claim under more than one section of **your** policy for the same expense for one event, if the same expense could be claimed under multiple sections, **we** will settle at the higher applicable amount.
14. If **you** require hospitalisation or emergency transportation services and **you** want **us** to pay, then **you** must contact **Medical and Travel Emergencies** (see back page for phone number) as soon as possible and obtain approval before arrangements are made where this is reasonably practicable. **You** must also follow any advice or instruction given to **you** by **us**, EAA or Medical and Travel Emergencies.
15. **We** will not cover **you** for loss or an event or liability to the extent that it is covered by any other insurance policy, medical or health scheme or Act of Parliament or any benefit which **we** are legally prohibited to pay by law. **We** will however pay the difference between what is payable under that other insurance policy, medical or health scheme or the relevant Act of Parliament and what **you** would have been entitled to recover under this policy to the extent permitted by law.
16. Notwithstanding any other terms or conditions under this policy, **we** shall not be deemed to provide coverage and will not make any payments nor provide any service or benefit to **you** or any other party to the extent that such cover, payment, service, benefit and/or activity of **yours** would violate or otherwise expose us to any applicable trade or economic sanctions, law or regulation, including but not limited to sanctions, laws or regulations issued by the United Nations, European Union, United States of America, mainly through the Office of Foreign Assets Control of the US Department of Treasury, United Kingdom, France, Australia and New Zealand. Additionally, if **we** determine that such violation has occurred or is likely to occur, **we** reserve the right to cancel this policy immediately.

Your responsibilities when making a claim

- You** must provide evidence that **you** have suffered a loss under the terms and conditions of the policy. **We** are under no obligation to make payment without reasonable proof of ownership and proof of claimable event.
- If **you** submit a fraudulent claim, **we** may refuse to pay the claim and seek recovery for any cost **we** already paid to **you** under this policy.

How we settle a claim

We consider a number of factors in calculating a claim settlement. These include:

- amount of loss or damage;

- applicable excess;
- policy limits and sub-limits shown in the **Table of benefits**;
- depreciation at the rates set out in this policy; and
- policy terms and conditions.

When settling a claim for lost, damaged or stolen items, **we** may do one or more of the following in consultation with **you**:

- repair; or
- replace (based on the original items specification, with the equivalent in the market at time of settlement); or
- provide store credit voucher for replacement; or
- provide a cash settlement.

Settlements allow for a reasonable depreciation rate which is shown in the relevant coverage section.
